Service and Coverage: To arrange nationwide factory authorized in-home service on major appliances, call 1-888-BESTBUY, 24 hours a day, 7 days a week. All other Plan repairs will be performed on a carry-in basis and must be arranged through a Best Buy store or service center. Repairs or replacements will be performed at our discretion by a Best Buy service center or authorized third party servicer.

- Coverage under this Plan expires three (3) or five (5) years from the original product purchase date as stated on your purchase receipt.
- This Plan is inclusive of the manufacturer's warranty; it does not replace the manufacturer's warranty, but provides certain additional benefits during the term of the manufacturer's warranty. After the manufacturer's warranty expires, this Plan continues to provide the manufacturer's benefits as well as certain additional benefits listed within the Plan's terms and conditions.
- In some cases, you may be required to ship your product for repair at our cost.
- Products, including those within the original manufacturer's warranty period, may be replaced with a new or rebuilt comparable product that meets the manufacturer's specifications of the original product, or you will receive a reimbursement (including but not limited to a check, voucher or gift card) in an amount equal to the original product's purchase price at our discretion.
- Replacement parts will be new, rebuilt or non-original manufacturer's parts that perform to the factory specifications of the product at our option.
- This Plan covers manufacturer's defects in materials and workmanship that are the result of normal usage.
- This Plan provides complete power surge protection from the date of purchase on the product covered.
- This Plan provides pixel repair based upon the manufacturer's guidelines.
- This Plan provides coverage for product failures due to dust, internal heat, internal humidity/condensation and normal wear and tear.
- International coverage is available on a limited basis. For details call 1-888-BESTBUY.
- We are not responsible for personal items left in the product to be repaired.
- No deductible applies to this Plan.
- Some products may need to be removed from the home to be repaired.
- You must provide a safe, non-threatening environment for our technicians to receive service.
- In some situations we may require you to secure your replacement product with a credit card number until we receive the defective product from you. If we do not receive your defective product your credit card may be charged the value of the replacement.

Product Specific Benefits:

- Plans for conventional washers include three (3) or five (5) years of protection beyond the manufacturer's warranty for the transmission or drive motor for front-loading washers (parts only).
- Plans for refrigerators and freezers include up to a \$200 food spoilage allowance per service repair. You are required to submit an itemized food list for each food spoilage claim. Food spoilage claims must be verified by an authorized service technician.

Purchaser Records: You must have this validated Plan and all original receipts to receive any product replacements, exchanges or voucher credits.

Availability of Services: While we try to complete service as quickly as possible, we are not responsible for delays caused by factors beyond our control, including but not limited to, manufacturer's delays, product availability, shipping, or Acts of God.

Manufacturer's Responsibilities: Products, accessories, and services covered during the manufacturer's warranty period are the responsibility of the manufacturer.

No Lemon Policy: After three (3) service repairs have been completed on an individual product and that individual product requires a fourth (4th) repair, as determined by us, we will replace it with a product of comparable performance, not to exceed the original purchase price. Replacement

products may be new or rebuilt to meet the manufacturer's specifications of the original product at our discretion. Technological advances may result in a replacement product with a lower selling price than the original product. For clearance, open-box and other products originally purchased at a discount, we reserve the right to issue a voucher for the original purchase price. The original product and purchase receipts must be returned to Best Buy along with authorized service repair receipts from three (3) separate completed service repairs to qualify. One (1) service request number, requiring functional part(s) repair/replacement is the equivalent of one (1) repair. Keep your service receipts! Copies of service receipts cannot be provided by us. Preventative maintenance checks, cleanings, product diagnosis, customer education, accessory repairs/replacements, ice makers, computer keyboards, speakers, non-consumable laptop battery or mouse repairs/replacements, computer software related problems and repairs done outside the U.S.A. are not considered repairs for the purposes of the No Lemon Policy. This benefit does not apply to Renewal PSPs.

Also not covered are replacement costs for lost or consumable parts (knobs, buttons, bags, belts, etc.) cosmetic damage and problems due to improper and/or non-factory authorized installation or repairs.

The total liability under this Plan is the purchase price you paid for the product; in the event that the total of all authorized repairs exceeds the purchase price paid for the product or we replace the product, we shall have satisfied all obligations owed under the Plan.
